TEACHING STAFF

the inside story

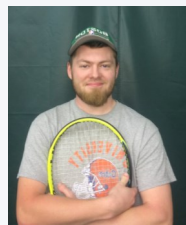

Director of Tennis: Jude Kinasewitz

Chatham Bars Inn Resort & Spa is excited to welcome back Jude Kinasewitz as our Director of Tennis Operations. Jude spent her childhood in Louisiana and started her competitive career at the early age of 10. She realized success as a top ranked USTA junior player as well as with her high school championship team before joining the varsity team at Boston College where she competed in both singles and doubles match play. Prior to working at Chatham Bars Inn, she served as the Director of Tennis at Oak Hill Country Club in Rochester, New York as well as at Roxbury Swim & Tennis Club in Stamford,

Connecticut. In addition, she was a top pro for Tennis Europe; coaching junior players while traveling and competing in tournaments throughout Europe. Jude has also taught at some of the top clubs in the country, including the Ocean Reef Club in Key Largo, Florida; The Misquamicut Club in Watch Hill, Rhode Island; Innis Arden Golf Club in Old Greenwich, Connecticut; and PGA National Resort in Palm Beach Gardens, Florida.

Assistant Professional: TJ Ostrander

We are excited to announce the addition of TJ Ostrander to the Chatham Bars Inn tennis staff. TJ began playing tennis at the age of 8 in Connecticut where he grew up. He was a Central Connecticut All-Conference player his junior and senior year in high school, as well as playing the USTA junior circuit. TJ finished as year-end number 1 in 2013 for USTA New England men's 4.5 doubles. The thing TJ enjoys most about the game of tennis is its competitiveness, and that hard work can trump talent any day on the court. During the year TJ lives outside of Boston, and is a Teaching Professional at Westboro Tennis & Swim Club and Wimbledon 101. He is looking forward to a fantastic summer on the Cape!
